HADCO Group's Recycling Division Monthly E-Newsletter

## Recycling at Home: Tips From HADCO's Recycling Division

We understand that at-home recycling for some families can be a challenge, but it doesn't have to be. Readers will be pleased to know that most household waste items can be recycled. These include plastics of all types, glass bottles, Tetra Pak, aluminium cans, paper, cardboard, cooking oil, and batteries.

In this month's newsletter, we are excited to share the options available and show you just how easy it is to get started on your recycling journey. We invite you to take a look at the next page for more information on recycling household waste.

As always, we would like to thank our readers for their continued interest and support in making our country cleaner and greener for everyone.

**"WE WANT TO MAKE IT EASIER FOR FAMILIES TO GET INVOLVED IN RECYCLING. BY CHANGING SMALL HABITS AT HOME, YOU CAN CHANGE THE WAY TRINIDAD AND TOBAGO RECYCLES."**

Kevin Whiteman -  
Managing Director,  
Recycling Division,  
HADCO Group

at-home recycling  
guide below**

# At-Home Recycling Guide

**Plastics (PET, HDPE)** - For e.g. Plastic water and soda bottles, shampoo bottles, liquid soap and bleach bottles, plastic food and pint containers, etc. Please ensure that each plastic bottle is emptied, rinsed, dried, and placed in a separate bag.

**Glass** - For e.g. Wine, beer bottles, food, sauce and jam jars, etc. Please ensure each glass bottle is emptied, rinsed, dried, and placed in a separate bag.

**Tetra Pak** - For e.g. Most juice boxes, milk cartons, etc. Look for the Tetra Pak symbol to be sure. Please ensure that each Tetra Pak carton is emptied, rinsed, dried, and placed in a separate bag.

**Aluminium Cans / Metal Tins** - For e.g. Soda cans, beer cans, and all canned food tins, etc. Please ensure that each aluminium can and metal tin is emptied, rinsed, dried, and placed in a separate bag.

**Paper and Cardboard** - For e.g. Most wastepaper, newsprint, books, magazines and cardboard, snack boxes, soap boxes, wax paper, foil boxes and tissue roll cores, etc. Please ensure that all paper and cardboard material are flattened and collated in separate bags or boxes.

**Vegetable Cooking Oil** - For e.g. Vegetable based oils such as olive oil, palm oil, soybean oil, corn oil, and sunflower oil. Please ensure that your waste vegetable oil (WVO) is in a sealed container.

**Lead Acid Batteries** - For e.g. Light to medium cars, trucks, lawnmowers, marine vehicle batteries, etc. Please ensure that lead acid batteries are dry before placing in a bag or box.

*See next page for more information about our recycling drop off points.*

## Get Involved!

Households and individuals who are interested in responsibly disposing of waste materials can take any of their sorted recyclable material mentioned above to the following locations:

HADCO Limited - Head Office - JRJ Warehousing Compound, Bhagoutie Trace, San Juan.

New Age Recycling Facility - 17A Yorke Avenue, O'Meara Industrial Estate, Arima.

Ecoimpact Facility - Lot 17 DEFG, e Teck Diamond Vale Business Park, Diego Martin.

Caribbean Battery Recycling Facility - 2 El Socorro Ext, LP 52 Patraj Trace, San Juan.

To drop off plastics, glass and Tetra Pak only, please visit your local iCare bin in Trinidad or Tobago. The EMA has created a [map of Trinidad to help you locate your nearest drop off bin](#).

For inquiries about bins in your area, you can call the iCareTT head office at (868) 226-4362.

For sorted plastics, glass, Tetra Pak, aluminium cans, wastepaper and cardboard inquiries, please contact **New Age Recycling** at: (868) 290-2970 / 2975 or visit [www.newagerecyclingtt.com](http://www.newagerecyclingtt.com),

For waste vegetable oil and used lead-acid batteries inquiries, please contact **Ecoimpact Company Limited** at: (868) 633-3609 or visit [www.ecoimpacttt.com](http://www.ecoimpacttt.com).
